

**SITKA SCHOOL DISTRICT**  
***Migrant Education Program Survey***  
*for Fishing, Logging, Agriculture, or Subsistence Fishing Seasonal Work*  
 School Year \_\_\_\_\_

This quick questionnaire is designed to find out about the participation of your family members in certain **seasonal** occupations: commercial and subsistence fishing, logging, and agriculture. The information you provide may be followed by an interview with a Migrant Education Program recruiter.

*You need to only complete one survey per family and return it to a school office.*

Thank you for taking time to answer these questions. All of your responses will be treated as **STRICTLY CONFIDENTIAL**, and only used by the Sitka School District and the Alaska Department of Education for educational funding and planning purposes.
