This summary will evaluate the E.L.P.'s progress for the current school year. Please make sure you have included all portfolio requirements for your child. Label all portfolio items with student name, date, and grade level.

List Specific Evaluations For The Areas Which Were Homeschooled. If the student attended another school for a specific subject, please list that by the subject and attach any grade slips from that school. You may choose to include a narrative summary, outline specific grades for each of the subjects, or come up with your own evaluation tool.
